Recovery PAC stands with candidates and policy makers who support and champion recovery choices for all Nevadans impacted by addiction and mental health.

- ✓ Recovery choice is reducing the stigma of addiction and mental health.
- ✓ Recovery choice is advancing justice and supporting recovery-oriented options for problem-solving specialty courts.
- ✓ Recovery choice is safeguarding the rights of people with addictions and mental health challenges, ensuring equitable access to housing, employment, and services.
- ✓ Recovery choice is supporting and embracing all pathways of recovery - recognizing clinical and non-clinical options.
